Of all diseases which flesh is heir to, none bring so much misery, moral and physical, as Syphilis. To all so afflicted we can truly say this remedy will help you. Two articles found, by experience, to be peculiarly efficacious for this disease, are contained in this equopound. We ask you to try Dr. Fowier's Compound Extract, and, by giving it a fair trial, it will cure you.

We speak with much confidence of Dr. Fowier's Compound, because we know what it is composed of, and what it will do. We know itr. Fowier well, who is a physician of known repule, standing second to hone in the country, of long experience, an honorable man, who, having a reputation for character, as well as ourselves, would never allow a medicine to go before the public without merit. And we say of this Compound, if taken according to directions, after a fair trial, it will do all we claim tor it.

We offer it as a new discovery, which it certainly is—a genuine article for Scrofula, Syphilis and all blood impurities; and knowing the genuinences of it, as such we send it for th, saying, "Go, Heal the Suffering!"
